Parade to Start Klondike Weekend

Planning for the parade to kick-off the Klondike Kampers Carnival weekend is well underway and members of the parade committee are hopeful of producing the biggest and most spectacular parade ever held in Drayton Valley.

Klondike Kampers Carnival will be held on July 15th and 16th in conjunction with the arrival in Drayton Valley of canoes taking part in the White Water Race on the evening of July 15th.

The parade committee of Jack Bright and Sherold Moore in a circular letter last week, urged all local groups, organizations, businesses and individuals to take part by preparing floats for the big event.

It is intended to assemble the parade in various classifications depending on the variety of exhibits. Trophies will be awarded in each classification with winners to be announced at the stage performance on Friday evening. The parade will be held at 10:00 a.m. on Friday, July 15th commencing on 50th Avenue at the hospital.

The parade committee has asked that all those intending to take part contact them prior to June 25th so that final arrangements can be made.

Drayton Canoes Do Well In Recent Races

Two Drayton Valley canoes are gaining honours in Alberta canoe races organized by the Alberta Paddlers Association.

At the end of May in the Empress to Medicine Hat race David Ellery and Archie Griffiths came second with David Maclure and Francis Tally (an Edmonton gymnast) third.

On June 12th in the Rocky Mountain House race of 25 miles through difficult rapids, Dave Ellery and Reg Samis came first in a home made styrafoam canoe of unique design with David Maclure and Francis Tally a close second.

These two canoes together with the Archie Griffiths and John Desjardin canoe look as though they will provide hot competition in the White Water Race in July. Good luck to them.

Canada's Largest Tank Car

Canada's largest railway tank car was spotted last week at Goliad Oil and Gas Company's shipping point at Breton. The car is 91 feet long with a capacity of 50,600 gallons. Two sets of 70-ton roller

bearing trucks at each end carry its loaded weight of 440,000 pounds. The car is expected to be used on the CPR's Breton to Sault Ste. Marie run carrying liquid propane.

Ceremony to Start Centennial Project

A sod turning ceremony will be held at 2:00 p.m. on Tuesday, June 21st at the site of

the new Centennial Civic Centre across from the curling rink.

Government officials and other special guests will be present to officially start construction of the Centennial project. All citizens of the town and district are invited to attend.

Terry Sharkey Wins Trip

Terry Sharkey, son of Mr. and Mrs. L. Sharkey of Drayton Valley, was advised last week that he had been selected as a delegate to attend 4-H Club Week at the Vermilion Agricultural College from July 17th to 23rd.

Terry, 14, is a grade nine student at the Frank Maddock High School. The award is recognized as one of the highest achievements available to 4-H members in the province

Field Day Planned At Cormie Ranch

A field day will be held at the Cormie Ranch, Tomahawk on Saturday, June 25th starting at 10:00 a.m.

Interested persons are invited to visit the ranch and see the operation of the cattle performance and A.I. programs. 4-H demonstrations, including judging, will be held.

The field day will offer an opportunity to observe the ranch's breeding program and cattle being raised. Included in the ranch stock is the Grand Champion of the 1966 Calgary Bull Sale.

Everyone is welcome to attend. To reach the ranch drive six miles East and $\frac{1}{2}$ mile North of Tomhawk.

Tournament Rescheduled

Saturday's unfavorable weather forced postponement of the junior golf tournament that was scheduled to tee off at the Drayton Valley course at 8:00 a.m.

The tournament has now been rescheduled to Saturday, June 18th.

The tournament is open to golfers under the age of 19 with flights for all classes of players. All entrants are asked to be at the golf club before 9:00 a.m.

Funny how some people know how others should go about their business but not their own.

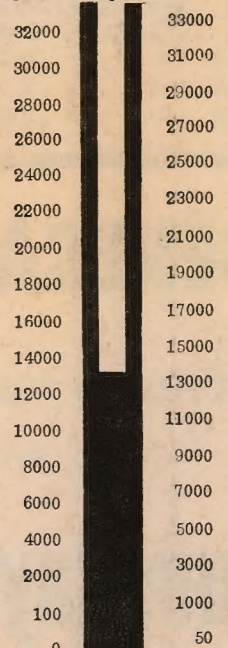

Plan Sewage Field Day

A sewage field day will be held at 1:30 p.m. Tuesday, June 21st on the farm of Ed Galpin, one mile East of Entwistle and four miles South of the wildlife checking station on Highway 16.

The event is sponsored by the Department of Agriculture and the Agricultural Service Board. Members of the 4-H Club will have coffee and doughnuts available.

Guest speaker will be Mr. Rod Constable, Extension Engineer, Department of Agriculture who will discuss different types of units and various methods of installation.

Centennial Fund \$34,000

The following is a list of donors who contributed to the Centennial Fund last week.

F.H. DeGeest; Bottom Hole Services Ltd.; Eskimo Fracturing Ltd.; Du-All Well Services Pembina Drug Co. Ltd.; Valley Drug Co. Ltd.; Andrew Kjollien, Jr. High Students Union; Henry Romanchuk.

Track meets highlighted school activities last week with the Junior High School and Elementary School holding their end of the term

events. The above photo shows youngsters charging to the finish line in one of the races.

Tri-School Track Meet Held

The students of the Drayton Valley Junior High earned the aggregate trophy and the majority of the individual trophies at the first annual Drayton Valley Area Tri-School Track Meet held here last week.

Using an equalization formula to adjust for school sizes and resources, the following points were earned: D.V.J.H. - 942; St.

Anthony's - 450; and Lodgepole - 378.

Individual trophies went to the following top competitors in each class: Girls: Age 10, Cheryl Daviduk (DVJH) - 12 points; Age 11-12, Linda Urchyshyn (DVJH), Betty Hodgson (DVJH) Tied - 6 points; Age 13-14, Joy Meraw (St. Anthony's) - 11 points; Age 15-16, Verna Hodgson (DVJH) - 12 points. Boys:

Age 10, Mark Cunningham (Lodgepole) - 12 points; Age 11-12 Darrell Williams (Lodgepole) - 10 points; Age 13-14 Stefan Hoge (DVJH) 15 points; Age 15-16 Rodney Schmidt (DVJH) - 15 points.

It is expected that next year, when the High Aggregate Trophy is again up for challenge, the competition and performances will be even better.

The girls represent the membership of the organization that raised money for the Centennial Fund by collecting and selling rags.

Pedal Pushers Classes Held

Pedal Pushers are active again in Drayton Valley with lessons taking place every afternoon at 3:30 at The Bay parking lot. The first class to get underway was made up principally of Grade one and two students and will be finished this week. Another class of older children,

and youngsters who missed the first one, will then start. The classes are sponsored by the Drayton Valley Rotary Club and are conducted by Police Chief Al Miles and members of the Police Department. The course is approved by the Alberta Safety Council. Boys and girls interested in the Pedal Pushers course are invited to attend. Classes are expected to continue until the end of June.

The Molson Golf Clinic will be held at the Drayton Valley Golf Club on Tuesday, June 21. The Drayton Valley Hotel who are the co-sponsors of this clinic announced that Nick Melvia, professional from the Edmonton Glendale Golf and Country Club will be in attendance. The program for this clinic is as follows: 3 p.m. to 4 p.m. Ladies instructions; 4 p.m. to 5 p.m. - Junior instructions; 5 p.m. to 7 p.m. Men's instructions; 8 p.m. - Golf Monies and Refreshments at Curling Rink.

Those interested in taking advantage of this opportunity are asked to be at the Starters Shack at the appropriate time. Nick Melvia is undoubtedly one of Canada's top professionals and this clinic should help anyone who is having a problem with their game, which probably includes every golfer in Drayton Valley.

In order that members of the Golf Club have an opportunity to meet and play as many other members as possible, a league is being organized. To operate, this league will require six teams made up of six golfers each. Each week will see each team drawn against one other team in a round robin competition. A team will be required to field four of their members each week. Play will be medal, and handicaps based on your league play will be used.

If you are interested in joining this league contact a few of your friends and form a team. You can enter your

team with Roy Sired at 542-3789, but remember you will be required to field four of your team each week. Weather permitting, these games will be played Wednesday and the worst thing that could happen would be for one of two teams to start defaulting their matches. The first match in this league will begin at 5:00 p.m., Wednesday, June 23, 1966, so enter your team now. Sorry - paid up members only.

Appearances deceive; a dollar bill still looks like it did fifteen years ago.

LEGS DRIVE FORWARD, HEAD STAYS BACK

Maximum distance on golf shots is achieved when the legs drive forward on the downswing while the head remains in its original position (see illustration).

This combination of forward drive and stable head position builds a terrific force that moves down to the clubhead and produces maximum clubhead speed.

Some better players actually let their heads move back to their right on their downswing to further increase this source of power. However, I don't advise that the average golfer try to consciously duplicate this head movement.

Just make sure your head does not move forward toward the hole as your legs drive in that direction.

White Water Canoe Race Attracting Much Interest

The Alberta White Water Canoe race -- the run from Rocky Mountain House to Edmonton -- appears to be shaping up as an even bigger and better show than that of the initial race last year. The race will start at Rocky Mountain House on July 15th and end in Edmonton on July 17th.

Much of the interest is being stimulated by the preparations of various paddlers' teams for the 3,500-mile centennial race from Rocky to Expo '67 in Montreal next year.

All 10 provinces, the Yukon and Northwest Territories, are training teams to participate in the centennial race which will follow the route of some of Canada's great explorers.

In this year's White Water race paddlers will compete for more than \$3,000 in prize money and the Labatt's Challenge Trophy.

The paddlers will leave Rocky on July 15th and travel to Drayton Valley the first day. The second stage is from Drayton Valley to Devon.

The distance of the race is 176 miles.

The initial running in 1965 was won by Gib McEachern and Norman Crerar of Flin Flon. The three-time Canadian open champions finished with an aggregate time of 15 hours, 35 minutes, 26.9 seconds. They are expected to defend their title.

First place is worth \$1,250 with \$600 going to the second place finishers. Another \$50 will be awarded to each team that finishes within three hours of the winning time.

Heart rate and blood pressure may be temporarily increased by smoking. Even one or two cigarettes can cause an increase of from 15 to 25 heart beats per minute and a detectable rise in blood pressure.

FASTBALL SCHEDULE

Games scheduled in the Men's Fastball League for the next week are as follows:

June 20th at St. Anthony's diamond - Catholic Church vs. Lutheran Church. At the Jr. High diamond - Pembina Pipeline vs. Pan American.

June 21st at the Jr. High diamond - Businessmen vs. Pembina Meter

June 22nd at the St. Anthony's diamond - Lutheran Church vs. Pan American.

June 23rd at the St. Anthony's diamond - Pembina Meter vs. Pembina Pipeline. At the Jr. High diamond - Businessmen vs. Catholic Church.

We Need News!

It is an economic fact that a small newspaper cannot possibly employ reporters to cover all the events that occur in any town. We attempt to give pictorial and editorial coverage to the major stories but depend largely on residents of the community to supply us with information on the many other events taking place.

Please -- if your club, group, relatives or friends do something that is of interest to the community -- let us know! You don't need to write it -- phone in the information and we'll prepare it for publication.

You can perform a community service and help us produce a more interesting paper by letting us know about the little items that might otherwise go unnoticed.

Dear Sir:

The students and staffs of the Drayton Valley Junior High School, St. Anthony's Separate School, and the Lodgepole School wish to thank all those who helped to make their Drayton Valley area tri-school track meet such an outstanding success.

Among these, we would especially thank: The Lions Club for the use of their excellent facilities and for their assistance in preparation; Mr. Mike Gormley and the Town Recreation Department for his invaluable assistance and for the use of their equipment; The school boards of the three schools for their donations of ribbons and trophies; the Drayton Valley Police Department for the use of their loud hailer; W. W. Cartage for the use of their truck; The Bay for the discount on the food for the concession booth; and all those who came down to encourage the young people in their efforts.

Thank you all.

BERRYMOOR NEWS

Mrs. Bea Cropley,
Correspondent

The Lindale 4-H Swine Club achievement day was held on Saturday, May 28th. Judging of sows and their litters started at 10:00 a.m. at the home of Gary Phillips and ended at about 4:30 p.m. at Blair and Dale Thatcher's. Here the points were added up and awards given. Gary Phillips of Lindale placed first and was presented with the trophy. In second place was Lynne Martin of Lindale and in third place, Donna Whittaker of Berrymoor. After chores were done that evening the 4-H members gathered at the creek where they did some swimming. This was followed by a wiener roast and ball game. A very interesting and successful day ended at 10:00 p.m. when the members headed for home and bed.

Lindale School had a field day on Friday, May 27th when Genesee competed with Lindale in the different events. Lindale won two of the ball games and Genesee two. Henry Kiemele, boys top athlete, placed first in every event that he entered. Everyone received free ice cream and cool-ade.

Mr. and Mrs. Orville Weighill, George Mow and Beatrice Day were Sunday visitors at the Cropley home. After attending the afternoon service there was a birthday supper for Frank Cave. Frank works in Edmonton and spends Sundays in Berrymoor.

The Berrymoor P. H. Life-liners motored to Telfordville on Friday evening to attend a youth for Christ film.

Don Martin drove Mae, Dianne and Dayna to Breton Thursday evening to a ball game in which the ladies ball team played the High School girls and defeated them 29 to 25. Mae is the captain

of the High School team.

Mrs. Olga Lindell returned with Don Martin to attend the Grade IX graduation banquet at Lindale on Saturday night, June 4th.

FAULTY ALIGNMENT CAN BE COSTLY.

Poor wheel alignment can cause tires to drag sideways 20 to 40 feet in every mile travelled, wasting gasoline and tires.

Local Team Wins Second Place

The weather has been very poor for softball or baseball during the past week. Despite the frequent rains and the mire splattered grounds at least five games were played in the Drayton Valley Men's Softball League last week. The scores were as follows: Pan American 2, Lutheran Church 3; Pembina Pipeline 10, Drayton Valley Businessmen 4; Pembina Meter 9, Catholic Church 8; Pembina Pipeline 12, Catholic Church

4; Pembina Meter 8, Lutheran Church 5.

Over and above the regular schedule, the Pembina Meter team took in a tournament at Warburg last Sunday and came away with second money for their efforts. The teams competing in the Warburg Tourney were: Breton, Warburg (Men), Warburg (High School), Whiteall (Company Employees) and the Drayton Valley team. The showing of the local team in this tournament speaks well for the local league and is a proof of the fine calibre of ball that is being played here.

Summary School Board Meeting

Regular meeting of the Board of the Stony Plain School Division No. 23 was held in the divisional office on Tuesday, May 31.

A letter was received from D.E. Humphreys; nominee for the Principals' Leadership Course, advising that he cannot attend. It was decided not to sponsor a candidate this year.

Mr. H.G. Murdock of the Highway Traffic Board came to see the Divisional Board regarding Driver Training in High Schools. He outlined the program offered but explained that they are already booked for the coming year. The proposed course consists of 30 hours classroom instruction and 18 hours in the car of

which 6 hours are behind the wheel.

This matter was discussed at great length and Mr. Murdock was requested to place Stony Plain on the reserve list.

It was moved and carried that the Divisional Board cooperate in the student driver training course as offered by the Highway Traffic Board

A committee of the Drayton Valley Community Kindergarten saw the Board about adoption of a kindergarten program in the Division. They presented an elaborate brief and requested that the Board do the following: 1. Pass a resolution indicating approval in principle of having Kindergarten in the public school system. 2. Strenuously solicit the Provincial Government

for capital grants for kindergartens. 3. Set up a pilot Kindergarten project in schools where space is available.

This matter was discussed at considerable length and the committee was advised that the Board would have to study this matter further before making a decision.

A letter from Mr. A.B. Wetter was read to the Divisional Board advising that the Cynthia School District No. 5085 is being transferred to the Stony Plain School Division effective July 1, 1966. This letter was tabled for information.

A letter was received from the Keephills Home & School Association advising that they wish to landscape their school

grounds and wanted to know if the Board would offer any assistance.

It was moved and carried

that a grant of \$100 per school building be made for landscaping as a centennial program.

The following schedule was offered to teachers of the Division which after discussion was accepted:

Special Legislative Committee On School Centralization

In accordance with a Resolution of the Legislative Assembly of Alberta, passed on April 15th, 1966, a Special Committee, consisting of the following Members of the Assembly:

R.B. Lamothe (Chairman)	
A. Aloisio	M. Senych
E.P. Benoit	M. Maccagno

has been appointed for the purpose of enquiring into and receiving representations and recommendations as to:

1. The interest and concern of the public with respect to the centralization of schools,
2. The educational opportunities presently being offered in elementary and secondary schools, and
3. The problem of centralization and consolidation in the rural areas and smaller cities with particular reference to vocational high schools.

The Committee invites the submission of Briefs by all interested parties, particularly local level branches of the Alberta Teachers Association, Alberta School Trustees' Association, Home and School Association, Farmers Union of Alberta, Farm Women's Union of Alberta, Chambers of Commerce, school and municipal authorities, religious organizations and all other interested individuals or associations.

Seven copies of each Brief should be forwarded to the Committee not later than July 15th, 1966, after which time public meetings will be held in various centres of the Province to hear representations in support of the Briefs submitted.

Address Briefs and correspondence to:

The Secretary,
Legislative Committee on
School Centralization,
313 Legislative Building,
Edmonton, Alberta

R.B. Lamothe, Chairman

D. V. Highlights

BY MRS. EDITH DEBY

Best wishes for a happy future are extended to Mr. and Mrs. Thomas Mykyte, nee Arlene Lilje.

Mrs. Alex Starling has been in hospital both here and in Edmonton for the past several weeks. It is hoped that she will soon be well enough to come home.

Eugene Urchyshyn is in the Royal Alex Hospital undergoing further surgery for an injury received in an oil field accident a year and a half ago.

Mrs. Wilfred Sleno and Mrs. Arvet Erickson will entertain in the former's home with a bridal shower for Gordon Tucker's fiancée, Miss Valerie Jacknisky, on Saturday, June 18th at 8:00 p.m. Mrs. Sleno and Mrs. Erickson extend a cordial invitation to all friends of the family.

Funeral services were held in Tofield on Monday for a long time resident of that district, Mrs. Mary Davison. Mrs. Davison has many friends in this district where she often visited her brother, Mr. William Stairs. Mrs. Davison had been in poor health for some time and her death was not unexpected.

Congratulations go to Drayton Valley for its first place win in the Mayerthorpe parade last Friday. Mr. Frank Hazzard was in charge of the float. It was graced with four of Drayton Valley's lovely young ladies, the Misses Bonnie Heyland, Gayleen Vig, Jean Simon and Carol Kruger. Barry Johanneson and Ron Pak went along to assist Mr.

Hazzard. Mr. Don MacKenzie and Mr. Mosdell also won with their entry which was designed to advertise Klondike Days.

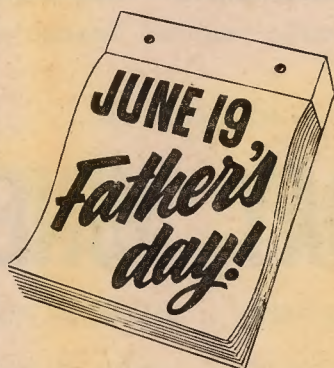

Mr. and Mrs. Robert Hunter, nee Vallee Urchyshyn, have just been sent to Nova Scotia by Mr. Hunter's company. They expect to be gone about seven months.

Mr. Jake Berg of the Treasury Branch, has been transferred to Cold Lake.

We hear that wedding bells will ring for Beth Brown in the near future. Best wishes, Beth.

That busy young lady, Miss Sharon Phelan, whose acquaintance many of you have made at the swimming pool, seems to be a hard person to find when she is not too busy to answer questions. Information reached us that Sharon has done especially well in her recent examinations. Congratulations Miss Phelan.

Canada is a rich source of fish and seafood, supplying both domestic and foreign markets.

EVANSBURG NEWS

Mrs. M. Bruner
Correspondent

Rain, rain go away, I just have to go pull the weeds from the garden, is the refrain heard around these days. After such a wet spell we should get a nice warm dry summer, don't you think?

The District Agricultural Society held their regular meeting at our place this month. Reports are that the fair books will be in the hands of most of the exhibitors by the end of the month. Be sure to go through the whole book and read it all this year as some of the rules have been changed and due to last minute mail received, listing of special prize money is not in the usual spots in the books. Tickets worth one vote for the candidate of your choice for Agricultural queen, plus admission to the fair, plus a chance to win one of three gate prizes offered, are now on sale by the young ladies vying for the honor of being queen of our Fair. The young ladies are Miss Marcella Degen of Drayton Valley; Miss April Wapshott of Wildwood and Miss Kathie Meropoulis of Niton. A chance to see the three young ladies will be offered to all as they ride in the parade on fair day. Plans were also made to enter a float in the Little Klondike Parade at Alberta Beach. Mr. Mazeppa gave a report on the

work ARDA is planning to do in the area.

The Pembina-Lobstick 4-H Club held their meeting at the Holly Springs school. Plans were made for the float to be entered in the Edmonton Klondike Days parade, as well as the achievement day for the beef part of the club in Drayton Valley. It was noted that the forage plots were nearly all planted.

The District Cub Masters held a meeting in Evansburg to discuss and assess the results of the recent Cub Rally held a short time ago. Another business to close down is the cafe, "Allen's Inn" recently opened in the Grassi Building.

Ill health forced Mr. and Mrs. Allen to close shop.

Telephone crews may be seen busy at work on the telephone lines through the village. October 16th has been set for the change over to dial phones. Have you picked the color of your new phone yet?

Fastball Tournament Held at Breton

The sixth annual Breton Students Union Fastball tournament took place recently. Boys teams from Pigeon Lake, Alder Flats, Warburg and Breton competed.

Neilson's first place trophy went to the Breton boys, Raczuk's trophy went to the Pigeon Lake girls for the fourth consecutive year. The

second place students union trophies were taken by Pigeon Lake boys and Breton girls.

The 2½ mile cross-country run was won by Richard Leahy of Warburg with a time of 15 minutes, 31 seconds. He was awarded the teachers trophy.

Gerald Lengert of Pigeon Lake won the 880 yard run in 2 minutes and 13 seconds and took the Burkholder athletic award.

Mr. Foster of Warburg Legion presented crests to the first and second place winners of the races.

Much credit for good sportsmanship go to the other participants in the races. The boys were Raymond Pryztula, Karl Mielnik, Peter Maine, Leslie Broadbent, Kieth Walters and Doug Shultz.

Thanks go to the umpire and others who helped make the tournament day a success despite the inclement weather

Oil Wives Hold Barbeque and Dance

The Drayton Valley Oil Wives, their husbands, and guests were treated to a delightful evening's entertainment on Saturday, June 11th when they attended a Barbeque and Dance in the Elk's Hall.

A delicious steak supper was served by the Elk's between 6:30 and 8:30 with dancing commencing at 9:00. Music was supplied by the Lorenz Orchestra. The tables were centered with candles in rather unique candle holders. The dress was casual or Mexican.

Later in the evening and again following the dance, guests were treated to some most enjoyable entertainment put on by several of our Oil Wives. These ladies included Lil Ross, Jean Ward, Dot Booker, Mae O'Rourke, Helen Paley, Donna Guild and Lottie Germaniuk. They presented their famous "Pill" song and "South of the Border" number. The girls were all dressed beautifully in Mexican attire for the latter number and sang many lovely songs. The Mexican Hat Dance was done to perfection by Lottie Germaniuk and Lil Ross.

The raffle on a bottle of perfume was won by Morley Suitor.

We were pleased to welcome back for our dance, Lindsay and Pat Milne, now residents of Calgary and Ev and Vic Halwa of Edmonton, former Oil Wives from out of town.

Convenors for the dance were Jackie Timmins and Dorothy Goss.

Swimming Pool

by Sharon Phelan

Three new sets of swim lessons started on Monday, June 13th. The tiny tots class from 1:00 to 2:00 p.m. is filled to capacity as is the adult junior class from 1:00 to 2:00 p.m. An adult beginners class from 9:00 to 10:10:00 a.m. is still open to any interested applicants.

It looks like maybe someone somewhere has taken pity on us. The weather isn't great weather but it is much better than what we've been seeing in the past two weeks. The temperature of the water in the pool is being kept from 78 to 80 degrees so even if it is chilly outside you can still enjoy a refreshing swim.

In closing, we might say that the swimmers in Neptune are swimming even better than last year. It looks like a great season ahead.

Successful Year For Junior W.I.

Drayton Valley Hummingbirds, a junior division of the W.I. report another successful year. Achievement Day was Saturday June 11. Four girls were chosen to represent the club at a Provincial Conference at Olds to be held in July. The four winners are Marilyn Sodergren, Linda Astle, Karen Chaput, and Sharon Chaput. They will be accompanied by their supervisor Mrs. L. Brown. Any ladies interested in the leadership of this club please contact the W.I. or Mrs. L. Brown. Congratulations are in order for Mr. Ted Reynolds who won the Melmac Set recently raffled by the girls.

Buck Creek News

Mrs. Gladys D. Stec,

The Bingo held at the hall on June 4th was quite well attended. Taking home the master prize of five dollars was Mr. Helmuth Lucchi of Buck Creek.

Mr. and Mrs. Ralph Lambert were Prince George, B.C. visitors for a few days last week.

Visiting at the home of Mr. and Mrs. John Bootsma are Mr. and Mrs. Frank Gray and family of High Prairie.

Mr. and Mrs. Nels Stabell will be making their new home in Red Deer. Mr. Stabell has farmed in the district for many years.

Mr. and Mrs. Adolf Smestad have returned home for a months holiday after spending 10 months in the North West Territories.

The community club had a clean up day at the hall recently in preparation for the picnic.

The Buck Creek school children travelled by bus, May 27th to Breton to participate in the track meet. They reported a nice day for the meet. Three Buck Creek students received crests for 13 points or better. They were Karen Oberg, Shirley Hauser and Gary Nelson.

Don't forget the community picnic to be held at the hall on June 19th, weather permitting.

Public washrooms are provided for you convenience. Do your part in keeping them as clean as you would expect to find them.

Master Farmers to Receive Trip to Expo '67

An all expense-paid trip to the World's Fair Expo '67 will be offered to Alberta's 1966 Master Farmers and their wives. If, for some reason, they are unable to accept the trip, they will be given the alternative prize of \$1,000.

Nominations for this highest agricultural award must be filed with district agriculturists by July 4th. Each nomination must be signed by at least three neighbours and submitted on the special form. Only one Master Farm Family can be chosen from each of the five regions which approximate the five main soil zones in the province. No award is made when a suitable candidate is not nominated.

To be eligible for nomination, members of the family must be Canadian citizens, the head of the family must be the owner-operator or lease-operator, and he must have spent at least 20 consecutive years operating the farm. If he is a veteran, military service will be accepted in lieu of time on the farm. Farmers who have incorporated their farms are also eligible providing that the company is owned or controlled exclusively by immediate members of the family. The size and type of farm is not important from the point of view of eligibility.

The purpose of Alberta's Master Farm Family Award is to honour farm families who have achieved outstanding success in farming, homemaking and citizenship. In this way it provides a tangible picture of the higher ideals of agriculture and the opportunities available in rural life to the rising generation. Since the inauguration of the program in 1949, Alberta has honoured 63 Master Farm Families.

Nomination forms and further details on the selection of a Master Farm Family are available from all district agriculturists' and home economists' offices.

Summer Schedule At Library

On the first of July the Municipal Library will go on summer schedule. Library will be open for borrowers from 7:30 to 9:00 on Tuesday evenings. Books may be returned anytime by dropping them into the chute. Bus children should be sure to have all their books returned by June 28th.

The thirty seven new books received and catalogued last week contained some particularly interesting titles for the very young. A Ranch for Danny, What is a Star?, Oscar Otter, Ringtail, Big Jump, Read Me More Stories, Little Oven, Fun with ABC and 1, 2, 3, and An Elephant is Not a Cat will give some idea.

Hemingway admirers will be interested to know that "Papa Hemingway" by Hotchner has arrived. Don't miss "The Last Battle" by Cornelius Ryan and "The Emperor of Peace River" by Eugenie Miles. Why not come in and look around? You may be surprised with what you'll find.

Carnwood News

Mr. and Mrs. Wyman Fullerton and Larry, Marilyn and Harvey of Buck Lake were visiting the home of Mr. and Mrs. Frank Cox. Mr. and Mrs. Fullerton used to reside in the district.

Grannie Bowen has arrived home feeling much better after a few days in Drayton Valley hospital. Donna Bower and Mr. S.M. Jorgenson are home after their stay in the Breton hospital. We wish them all the best.

Allan Barnett has left to take up a position with the Elephant Brand Fertilizer Company in Trail, B.C.

Frank and Trevor were visiting Bentley recently.

Mrs. S.M. Jorgenson of Warburg spent a few days in the district.

Mr. and Mrs. Gordon Gillespie were recently in the city.

Mr. and Mrs. George Colby and Edythe were visiting in the city recently when Edythe wrote her music exams.

Mr. E. Neff of Warburg was visiting in the district over the weekend.

A.A.R.N. Members Meet; Recess Until Fall

Thirteen members of the A.A.R.N. concluded their meetings until September 14th with a dinner meeting in the Hotel Dining Room at 7:00 p.m. on Wednesday, June 8. Following dinner the business meeting was held at the nurses' residence.

Correspondence included a letter of thanks from the Red Cross for the recent participation in the Blood Donor Clinic held in April. A list of the officers elected for district representation was available. It was noted that all representatives are from Edmonton. A letter from Westlock chapter indicated their disappointment in this. The Drayton chapter was in sympathy with this view as it was felt that with ten representatives, a portion of these should be rural members. Perhaps the next elections will provide a different system of voting whereby there would have to be some rural members represented. However, this is a year of trials and errors with a new structure for the A.A.R.N. We hope our representatives will consider rural needs as well as urban and we wish them good luck in their new offices.

The A.A.R.N. were pleased with the group representation at the May meeting. It was reported that 46 people came to St. Anthony's to hear Mrs. Copeland and Mr. Goulet speak in regard to Adoption and Foster Homes. From the lively discussions perhaps there may be some effort to have a regional Department of Health and Welfare office here. There seems to be some indication for one.

At the September meeting we plan to have as guest speaker, Mr. Smart from the C. M.H.A.

A filing cabinet will be ordered for storage purposes and should be here prior to September.

M. DeCiccio, president, was the only one able to attend the convention in Calgary May 25th to May 28th. About 800 members attended the 50th Anniversary meeting with the theme, Tribute to the Past - Prelude to the Future, at the Calgary Inn.

We thoroughly enjoyed the convention report which Mrs.

DeCiccio highlighted with clippings of reports and pictures from a Calgary paper. The book, "Heritage of Service - The History of Nursing in Alberta" by Tony Cashman was available for \$4.95 and will be put in our nurses' library. This book of facts and anecdotes makes mention of some of the "oldtimers" in the district.

This ends our meetings until September when we hope to renew them with new members and a continuation of the interest shown in the past few months. Happy holidays everyone from "Hy", your public relations representative.

Klondike Ball Promises Fun

Guests will have their chance to play games of skill in the Casino Room in the upper lounge of the Klondike Inn, July 15th and 16th. The lounge will be gaily decorated to give the atmosphere of the casino inns of the early gold rush days.

Some lucky person will walk away with 100 silver dollars each evening.

Remember the days, July 15th and 16th, doors swing open at 7:00 p.m. each evening. Tickets for the event now available through Don McKenzie, Bill Copeman Dr. H. Shimbashi, or can be arranged through any member of the Klondike Kampers Carnival Committee.

BUCK LAKE NEWS

The annual Buck Lake Stampede, bigger and better than ever, will be held on Wednesday, July 6th, 1966.

A mammoth parade will start at 11:00 a.m. with \$85 being paid out for horse drawn floats, \$55 for motor drawn floats, \$25 for comical floats, \$30 to the best decorated horses and riders and \$8.00 to the best decorated bicycles.

Saddle Bronc prize money is worth \$70.00. Bareback - \$50, Calf Roping - \$50, Steer Riding - \$50 and Girls Barrel Races - \$50.00.

A big dance will be held in the evening with music supplied by "The Riverieries".

The Buck Lake School took top honours at the track meet held at Buck Lake on May 27th.

Minnehik Ladies Friendly Circle held their monthly meeting at the home of Mrs. Ada Ullay on Wednesday, June 8th.

Shelby Laczko won a trophy for a speech contest held at the Buck Lake School on June 1st.

Sympathy of the district is extended to Mrs. Sidney Fellows (nee Elsie Larson) whose husband passed away.

Mr. and Mrs. Sigward Larsson and Mr. Gilbert Seigel motored to Mission City, B.C. to attend their brother-in-law's funeral.

There will be a wedding dance in the Buck Lake Hall on Friday, June 24th.

The monthly meeting of the Buck Lake Community Recreation Centre will be held in the hall on Tuesday, June 28 at 8:00 p.m. Those interested please attend.

The Buck Lake Board of Trade will meet at the Club House on Wednesday, June 22 at 8:30 p.m. Everybody welcome.

Those running for Queen at the Buck Lake Stampede are Linda McLeod, Julie Petersen, Jessie Hendrigan and Betty Fredrickson.

Fire Deaths Decreasing

It is possible that there is increasing concern about fire safety here in Alberta. Vital statistics tend to support this view.

During the first five months in 1966, eight deaths have been reported to the Provincial Fire Commissioner. During the same period last year, ten fire deaths occurred.

But there is one black side to the question. All the fire deaths thus far in 1966 have occurred in dwellings.

Careless smoking coupled with excess use of alcohol, must be recognized as a sure death cause if practised long enough. There have been no cases of cigar smoking causing death by fire.
